Re: Registration Statement on Form S-8

Ladies and Gentlemen:

We are acting as counsel to Greenlane Holdings, Inc., a Delaware corporation (the “**Company**”), in connection with its registration statement on Form S-8 (the “**Registration Statement**”), filed with the Securities and Exchange Commission under the Securities Act of 1933, as amended (the “**Securities Act**”), covering the offering of up to 5,908,430 shares (the “**Shares**”) of the Company’s Class A common stock, \$0.01 par value (the “**Common Stock**”), consisting of (i) 2,860,367 shares of Common Stock issuable pursuant to the Company’s Amended and Restated 2019 Equity Incentive Plan (the “**2019 Plan**”) and (ii) 3,048,063 shares of Common Stock issuable pursuant to the KushCo Holdings, Inc. 2016 Stock Incentive Plan, as amended (together with the 2019 Plan, the “**Plans**”), which plan was assumed by the Company in accordance with the terms of the Agreement and Plan of Merger, dated as of March 31, 2021, by and among the Company, Merger Sub Gotham 1, LLC, Merger Sub Gotham 2, LLC and KushCo Holdings, Inc.

As counsel for the Company, we have examined originals or copies, certified or otherwise identified to our satisfaction, of such documents, corporate records, certificates of public officials and other instruments as we have deemed necessary for the purposes of rendering this opinion and we are familiar with the proceedings taken and proposed to be taken by the Company in connection with the authorization, issuance and sale of the Shares. In our examination, we have assumed the genuineness of all signatures, the authenticity of all documents submitted to us as originals and the conformity with the originals of all documents submitted to us as copies. This opinion letter is given, and all statements herein are made, in the context of the foregoing.

This opinion letter is based as to matters of law solely on the Delaware General Corporation Law, as amended. We express no opinion herein as to any other laws, statutes, ordinances, rules, or regulations. As used herein, the term “Delaware General Corporation Law, as amended” includes the statutory provisions contained therein, all applicable provisions of the Delaware Constitution and reported judicial decisions interpreting these laws.

Based upon, subject to and limited by the foregoing, we are of the opinion that following (i) effectiveness of the Registration Statement, (ii) issuance of the Shares pursuant to the terms of the Plans, and (iii) receipt by the Company of the consideration for the Shares specified in the applicable resolutions of the Board of Directors or a duly authorized committee thereof and the Plans, the Shares will be validly issued, fully paid and nonassessable.

This opinion letter has been prepared for use in connection with the Registration Statement. We assume no obligation to advise you of any changes in the foregoing subsequent to the effective date of the Registration Statement.

We consent to the use of this opinion as an exhibit to the Registration Statement, and we consent to the reference of our name wherever appearing in the Registration Statement and any amendments thereto. GREENLANE HOLDINGS, INC.
2019 EQUITY INCENTIVE PLAN, as amended August 26, 2021

1. Purpose.

The Plan's purpose is to enhance the Company's ability to attract, retain and motivate persons who make (or are expected to make) important contributions to the Company by providing these individuals with equity ownership opportunities. Capitalized terms used in the Plan are defined in Section 11.

2. Eligibility.

Service Providers are eligible to be granted Awards under the Plan, subject to the limitations described herein.

3. Administration and Delegation.

(a) *Administration.* The Plan is administered by the Administrator. The Administrator has authority to determine which Service Providers receive Awards, grant Awards and set Award terms and conditions, subject to the conditions and limitations in the Plan. The Administrator also has the authority to take all actions and make all determinations under the Plan, to interpret the Plan and Award Agreements and to adopt, amend and repeal Plan administrative rules, guidelines and practices as it deems advisable. The Administrator may correct defects and ambiguities, supply omissions and reconcile inconsistencies in the Plan or any Award or Award Agreement as it deems necessary or appropriate to administer the Plan and any Awards. The Administrator's determinations under the Plan are in its sole discretion and will be final and binding on all persons having or claiming any interest in the Plan or any Award. The Administrator's determinations under the Plan need not be uniform and may be made selectively among Participants, whether or not such Participants are similarly situated.

(b) *Appointment of Committees; Delegation of Powers.* To the extent Applicable Laws permit, the Board may delegate any or all of its powers under the Plan to one or more Committees. The Board may also delegate to an executive officer of the Company the authority to grant Awards to Service Providers that are not subject to Section 16 of the Exchange Act. The Board may rescind any such delegation at any time or re-vest in itself any previously delegated authority at any time.

4. Stock Available for Awards.

(a) *Number of Shares.* Subject to adjustment under Section 8 and the terms of this Section 4, Awards may be made under the Plan covering up to the Overall Share Limit. Shares issued under the Plan may consist of authorized but unissued Shares, Shares purchased on the open market or treasury Shares.

(b) *Share Recycling.* If all or any part of an Award expires, lapses or is terminated, exchanged for cash, surrendered, repurchased, canceled without having been fully exercised or forfeited, in any case, in a manner that results in the Company acquiring Shares covered by the Award for less than Fair Market Value or not issuing any Shares covered by the Award, the unused Shares covered by the Award will, as applicable, become or again be available for Award grants under the Plan. In addition, Shares tendered by the Participant or withheld by the Company in payment of the exercise price of an Option or to satisfy any tax withholding obligation with respect to an Award will, as applicable, become or again be available for Award grants under the Plan.

(c) *Incentive Stock Option Limitations.* Notwithstanding anything to the contrary herein, no more than 5,000,000 Shares may be issued pursuant to the exercise of Incentive Stock Options, and no Shares may again be optioned, granted or awarded if it would cause an Incentive Stock Option not to qualify as an Incentive Stock Option.

(d) *Substitute Awards.* In connection with an entity's merger or consolidation with the Company or the Company's acquisition of an entity's property or stock, the Administrator may grant Awards in substitution for any options or other stock or stock-based awards granted before such merger or consolidation by such entity or its affiliate. Substitute Awards may be granted on such terms as the Administrator deems appropriate, notwithstanding limitations on Awards in the Plan. Substitute Awards will not count against the Overall Share Limit, except that Shares acquired by exercise of substitute Incentive Stock Options will count against the maximum number of Shares that may be issued pursuant to the exercise of Incentive Stock Options under the Plan.

5. Stock Options and Stock Appreciation Rights.

(a) *General.* The Administrator may grant Options or Stock Appreciation Rights to Service Providers subject to the limitations in the Plan, including Section 5(f) with respect to Incentive Stock Options. The Administrator will determine the number of Shares covered by each Option and Stock Appreciation Right, the exercise price of each Option and Stock Appreciation Right and the conditions and limitations applicable to the exercise of each Option and Stock Appreciation Right. A Stock Appreciation Right shall entitle the Participant (or other person entitled to exercise the Stock Appreciation Right pursuant to the Plan) to exercise all or a specified portion of the Stock Appreciation Right (to the extent then exercisable pursuant to its terms) and to receive from the Company an amount determined by multiplying the difference obtained by subtracting the exercise price per share of the Stock Appreciation Right from the Fair Market Value on the date of exercise of the Stock Appreciation Right by the number of Shares with respect to which the Stock Appreciation Right shall have been exercised, subject to any limitations of the Plan or as the Administrator may impose.

(b) *Exercise Price.* The Administrator will establish each Option's and Stock Appreciation Right's exercise price and specify the exercise price in the Award Agreement. The exercise price will not be less than 100% of the Fair Market Value on the grant date of the Option or Stock Appreciation Right.

(c) *Duration of Options.* Each Option or Stock Appreciation Right will be exercisable at such times and as specified in the Award Agreement, provided that the term of an Option or Stock Appreciation Right will not exceed ten years.

(d) *Exercise; Notification of Disposition.* Options and Stock Appreciation Rights may be exercised by delivering to the Company a written notice of exercise, in a form the Administrator approves (which may be electronic), signed by the person authorized to exercise the Option or Stock Appreciation Right, together with, as applicable, payment in full (i) as specified in Section 5(e) for the number of Shares for which the Award is exercised and (ii) as specified in Section 9(e) for any applicable withholding taxes. Unless the Administrator otherwise determines, an Option or Stock Appreciation Right may not be exercised for a fraction of a Share.

(e) *Payment Upon Exercise.* The exercise price of an Option must be paid in cash or by check payable to the order of the Company or, subject to Section 10(h), any Company insider trading policy (including blackout periods) and Applicable Laws, by:

(i) if there is a public market for Shares at the time of exercise, unless the Administrator otherwise determines, (A) delivery (including telephonically to the extent permitted by the Company) of an irrevocable and unconditional undertaking by a broker acceptable to the Company to deliver promptly to the Company sufficient funds to pay the exercise price, or (B) the Participant's delivery to the Company of a copy of irrevocable and unconditional instructions to a broker acceptable to the Company to deliver promptly to the Company cash or a check sufficient to pay the exercise price;

(ii) delivery (either by actual delivery or attestation) of Shares owned by the Participant valued at their Fair Market Value, provided (A) such payment method is then permitted

under Applicable Laws, (B) such Shares, if acquired directly from the Company, were owned by the Participant for a minimum time period that the Company may establish and (C) such Shares are not subject to repurchase, forfeiture, unfulfilled vesting or other similar requirements; or

(iii) any other mechanism that the Administrator, in its sole discretion, determines to be appropriate for a Participant, which the Administrator can determine on a case by case basis and any such determination with respect to one Participant shall not bind the Administrator with respect to any other Participant.

(f) *Additional Terms of Incentive Stock Options.* The Administrator may grant Options intended to qualify as Incentive Stock Options only to employees of the Company, any of its present or future “parent corporations” or “subsidiary corporations” as defined in Sections 424(e) or (f) of the Code, respectively, and any other entities the employees of which are eligible to receive Incentive Stock Options under the Code. No person qualifying as a Greater Than 10% Stockholder may be granted an Incentive Stock Option, unless such Incentive Stock Option conforms to Section 422 of the Code. If an Incentive Stock Option is granted to a Greater Than 10% Stockholder, the exercise price will not be less than 110% of the Fair Market Value on the Option’s grant date, and the term of the Option will not exceed five years. The Administrator may modify an Incentive Stock Option with the holder’s consent to disqualify such Option as an Incentive Stock Option. All Options intended to qualify as Incentive Stock Options will be subject to and construed consistently with Section 422 of the Code. By accepting an Incentive Stock Option, the Participant agrees to give prompt notice to the Company of dispositions or other transfers (other than in connection with a Change in Control) of Shares acquired from the Option made within (i) two years from the grant date of the Option or (ii) one year after the transfer of such Shares to the Participant, specifying the date of the disposition or other transfer and the amount the Participant realized, in cash, other property, assumption of indebtedness or other consideration, in such disposition or other transfer. Neither the Company nor the Administrator will be liable to a Participant, or any other party, (i) if an Option (or any part thereof) intended to qualify as an Incentive Stock Option fails to qualify as an Incentive Stock Option or (ii) for the Administrator’s actions or omissions that cause an Option not to qualify as an Incentive Stock Option, including the conversion of an Incentive Stock Option to a Non-Qualified Stock Option or the grant of an Option intended as an Incentive Stock Option that fails to qualify as an Incentive Stock Option. Any Option that is intended to qualify as an Incentive Stock Option, but fails to qualify for any reason, including the portion of any Option becoming exercisable with respect to Shares having a fair market value exceeding the \$100,000 limitation under Treasury Regulation Section 1.422-4, will be a Non-Qualified Stock Option.

6. Restricted Stock; Restricted Stock Units.

(a) *General.* The Administrator may grant Restricted Stock, or the right to purchase Restricted Stock, to any Service Provider, subject to the Company’s right to repurchase all or part of such shares at their issue price or other stated or formula price from the Participant (or to require forfeiture of such shares if issued at no cost) if conditions the Administrator specifies in the Award Agreement are not satisfied before the end of the applicable restriction period or periods that the Administrator establishes for such Award. In addition, the Administrator may grant to Service Providers Restricted Stock Units, which may be subject to vesting and forfeiture conditions during applicable restriction period or periods, as set forth in an Award Agreement. The Administrator will determine and set forth in the Award Agreement the terms and conditions for each Restricted Stock and Restricted Stock Unit Award, subject to the conditions and limitations contained in the Plan.

(b) Restricted Stock.

(i) *Dividends.* Participants holding shares of Restricted Stock will be entitled to all ordinary cash dividends paid with respect to such shares, unless the Administrator provides otherwise in the Award Agreement. In addition, unless the Administrator provides otherwise, if any dividends or distributions are paid in Shares, or consist of a dividend or distribution to holders of Common Stock of property other than an ordinary cash dividend, the Shares or other property will be subject to the same restrictions on transferability and forfeitability as the shares of Restricted Stock with respect to which they were paid. All such dividend payments will be made no later than March 15 of the calendar year following the calendar year in which the right to the dividend payment becomes nonforfeitable.

(ii) *Stock Certificates.* The Company may require that the Participant deposit in escrow with the Company (or its designee) any stock certificates issued in respect of shares of Restricted Stock, together with a stock power endorsed in blank.

(c) Restricted Stock Units.

(i) *Settlement.* When a Restricted Stock Unit vests, the Participant will be entitled to receive from the Company one Share, an amount of cash or other property equal to the Fair Market Value of one Share on the settlement date or a combination of both, as the Administrator determines and as provided in the Award Agreement. The Administrator may provide that settlement of Restricted Stock Units will occur upon or as soon as reasonably practicable after the Restricted Stock Units vest or will instead be deferred, on a mandatory basis or at the Participant’s election, in a manner intended to comply with Section 409A.

(ii) *Stockholder Rights.* A Participant will have no rights of a stockholder with respect to Shares subject to any Restricted Stock Unit unless and until the Shares are delivered in settlement of the Restricted Stock Unit.

7. Other Stock or Cash Based Awards; Dividend Equivalents

(a) *Other Stock or Cash Based Awards.* Other Stock or Cash Based Awards may be granted to Participants, including Awards entitling Participants to receive Shares to be delivered in the future and including annual or other period or long-term cash bonus awards (whether based on specified Performance Criteria or otherwise), in each case subject to the conditions and limitations in the Plan. Such Other Stock or Cash Based Awards will also be available as a payment form in the settlement of other Awards, as standalone payments and as payment in lieu of compensation to which a Participant is otherwise entitled. Other Stock or Cash Based Awards may be paid in Shares, cash or other property, as the Administrator determines. Subject to the provisions of the Plan, the Administrator will determine the terms and conditions of each Other Stock or Cash Based Award, including any purchase price, performance goal (which may be based on the Performance Criteria), transfer restrictions, and vesting conditions, which will be set forth in the applicable Award Agreement.

(b) *Dividend Equivalents.* If the Administrator provides, a grant of Restricted Stock Units or an Other Stock Award may provide a Participant with the right to receive Dividend Equivalents, and no Dividend Equivalents shall be payable with respect to Options or Stock Appreciation Rights. Dividend Equivalents may be paid currently or credited to an account for the Participant, settled in cash or Shares and subject to the same restrictions on transferability and forfeitability as the Award with respect to which the Dividend Equivalents are paid and subject to other terms and conditions as set forth in the Award Agreement. All such Dividend Equivalent payments will be made no later than March 15 of the calendar year following the calendar year in which the right to the Dividend Equivalent payment becomes nonforfeitable, unless determined otherwise by the Administrator.

8. Adjustments for Changes in Common Stock and Certain Other Events

(a) In connection with any Equity Restructuring, notwithstanding anything to the contrary in this Section 8, the Administrator will equitably adjust each outstanding Award as it deems appropriate to effect the Equity Restructuring, which may include adjusting the number and type of securities subject to each outstanding Award and/or the Award’s exercise price or grant price (if applicable), granting new Awards to Participants, and making a cash payment to Participants. The adjustments provided under this Section 8(a)

will be nondiscretionary and final and binding on the affected Participant and the Company; provided that the Administrator will determine whether an adjustment is equitable.

(b) In the event that the Administrator determines that any dividend or other distribution (whether in the form of cash, Shares, other securities, or other property), reorganization, merger, consolidation, combination, repurchase, recapitalization, liquidation, dissolution, or sale, transfer, exchange or other disposition of all or substantially all of the assets of the Company, or sale or exchange of Common Stock or other securities of the Company, issuance of warrants or other rights to purchase Common Stock or other securities of the Company, or other similar corporate transaction or event, as determined by the Administrator, affects the Common Stock such that an adjustment is determined by the Administrator to be appropriate in order to prevent dilution or enlargement of the benefits or potential benefits intended by the Company to be made available under the Plan or with respect to any Award, then the Administrator may, in such manner as it may deem equitable, adjust any or all of:

(i) the number and kind of Shares (or other securities or property) with respect to which Awards may be granted or awarded (including, but not limited to, adjustments of the limitations in Section 4 hereof on the maximum number and kind of shares which may be issued and specifically including for the avoidance of doubt adjustments to the Incentive Stock Option limitation set forth in Section 4(c));

(ii) the number and kind of Shares (or other securities or property) subject to outstanding Awards;

(iii) the grant or exercise price with respect to any Award; and

(iv) the terms and conditions of any Awards (including, without limitation, any applicable financial or other performance “targets” specified in an Award Agreement).

(c) In the event of any transaction or event described in Section 8(b) hereof (including without limitation any Change in Control) or any unusual or nonrecurring transaction or event affecting the Company or the financial statements of the Company, or any change in any Applicable Laws or accounting principles, the Administrator, on such terms and conditions as it deems appropriate, either by the terms of the Award or by action taken prior to the occurrence of such transaction or event, is hereby authorized to take such actions as it deems appropriate, including, but not limited to, any one or more of the following actions:

(i) To provide for the cancellation of any such Award in exchange for either an amount of cash or other property with a value equal to the amount that could have been obtained upon the exercise or settlement of the vested portion of such Award or realization of the Participant’s rights under the vested portion of such Award, as applicable; provided that, if the amount that could have been obtained upon the exercise or settlement of the vested portion of such Award or realization of the Participant’s rights, in any case, is equal to or less than zero, then the vested portion of such Award may be terminated without payment;

(ii) To provide that such Award shall vest and, to the extent applicable, be exercisable as to all shares covered thereby, notwithstanding anything to the contrary in the Plan or the provisions of such Award;

(iii) To provide that such Award be assumed by the successor or survivor corporation, or a parent or subsidiary thereof, or shall be substituted for by awards covering the stock of the successor or survivor corporation, or a parent or subsidiary thereof, with appropriate adjustments as to the number and kind of shares and applicable exercise or purchase price, in all cases, as determined by the Administrator;

(iv) To make adjustments in the number and type of Shares (or other securities or property) subject to outstanding Awards, and/or in the terms and conditions of (including the grant or exercise price), and the criteria included in, outstanding Awards;

(v) To replace such Award with other rights or property selected by the Administrator; and/or

(vi) To provide that the Award will terminate and cannot vest, be exercised or become payable after the applicable event.

(d) In the event of any pending stock dividend, stock split, combination or exchange of shares, merger, consolidation or other distribution (other than normal cash dividends) of Company assets to stockholders, or any other extraordinary transaction or change affecting the Shares or the share price of Common Stock, including any Equity Restructuring or any securities offering or other similar transaction, for administrative convenience, the Administrator may refuse to permit the exercise of any Award for up to 60 days before or after such transaction.

(e) Except as expressly provided in the Plan or the Administrator’s action under the Plan, no Participant will have any rights due to any subdivision or consolidation of Shares of any class, dividend payment, increase or decrease in the number of Shares of any class or dissolution, liquidation, merger, or consolidation of the Company or other corporation. Except as expressly provided with respect to an Equity Restructuring under Section 8(a) above or the Administrator’s action under the Plan, no issuance by the Company of shares of any class, or securities convertible into shares of any class, will affect, and no adjustment will be made regarding, the number of Shares subject to an Award or the Award’s grant or exercise price. The existence of the Plan, any Award Agreements and the Awards granted hereunder will not affect or restrict in any way the Company’s right or power to make or authorize (i) any adjustment, recapitalization, reorganization or other change in the Company’s capital structure or its business, (ii) any merger, consolidation dissolution or liquidation of the Company or sale of Company assets or (iii) any sale or issuance of securities, including securities with rights superior to those of the Shares or securities convertible into or exchangeable for Shares. The Administrator may treat Participants and Awards (or portions thereof) differently under this Section 8.

(f) No action shall be taken under this Section 8 which shall cause an Award to fail to comply with Section 409A of the Code or the Treasury Regulations thereunder, to the extent applicable to such Award.

9. General Provisions Applicable to Awards

(a) *Transferability.* Except as the Administrator may determine or provide in an Award Agreement or otherwise, in accordance with Applicable Laws (and subject to the applicable requirements for Shares underlying Awards to be registered on Form S-8 under the Securities Act), Awards may not be sold, assigned, transferred, pledged or otherwise encumbered, either voluntarily or by operation of law, except by will or the laws of descent and distribution, or, subject to the Administrator’s consent, pursuant to a DRO, and, during the life of the Participant, will be exercisable only by the Participant. Any permitted transfer of an Award hereunder shall be without consideration, except as required by Applicable Law. References to a Participant, to the extent relevant in the context, will include references to a Participant’s authorized transferee that the Administrator specifically approves under Applicable Laws.

(b) *Documentation.* Each Award will be evidenced in an Award Agreement, as the Administrator determines. Each Award may contain terms and conditions in addition to those set forth in the Plan.

(c) *Discretion.* Except as the Plan otherwise provides, each Award may be made alone or in addition or in relation to any other Award. The terms of each Award to a Participant need not be identical, and the Administrator need not treat Participants or Awards (or portions thereof) uniformly.

(d) *Termination of Status.* The Administrator will determine how the disability, death, retirement, authorized leave of absence or any other change or purported change in a Participant's Service Provider status affects an Award and the extent to which, and the period during which, the Participant, the Participant's legal representative, conservator, guardian or Designated Beneficiary may exercise rights under the Award, if applicable.

(e) *Withholding.* Each Participant must pay the Company, or make provision satisfactory to the Administrator for payment of, any taxes required by law to be withheld in connection with such Participant's Awards by the date of the event creating the tax liability. In satisfaction of the foregoing requirement or in satisfaction of any additional tax withholding, the Company may satisfy, or may allow a Participant to satisfy, such obligations by any payment means described in Section 5(e) hereof, including, without limitation, by withholding, or allowing such Participant to elect to have the Company or an affiliate withhold, Shares otherwise issuable under an Award (or allow the surrender of Shares). The number of Shares which may be so withheld or surrendered shall be limited to the number of Shares which have a fair market value on the date of withholding or repurchase no greater than the aggregate amount of such liabilities based on the maximum individual statutory withholding rates in the applicable jurisdiction, in accordance with Company policies and at the discretion of the Administrator. The Administrator shall determine the fair market value of the Shares, consistent with applicable provisions of the Code, for tax withholding obligations due in connection with a broker-assisted cashless Option or Stock Appreciation Right exercise involving the sale of Shares to pay the Option or Stock Appreciation Right exercise price or any tax withholding obligation.

(f) *Amendment of Award.* The Administrator may amend, modify or terminate any outstanding Award, including by substituting another Award of the same or a different type, changing the exercise or settlement date, and converting an Incentive Stock Option to a Non-Qualified Stock Option. The Participant's consent to such action will be required unless (i) the Administrator determines that the action, taking into account any related action, would not materially and adversely affect the Participant, or (ii) the change is permitted under Section 8 or pursuant to 10(f).

(g) *Conditions on Delivery of Stock.* The Company will not be obligated to deliver any Shares under the Plan or remove restrictions from Shares previously delivered under the Plan until (i) all Award conditions have been met or removed to the Company's satisfaction, (ii) as determined by the Company, all other legal matters regarding the issuance and delivery of such Shares have been satisfied, including any applicable securities laws and stock exchange or stock market rules and regulations, and (iii) the Participant has executed and delivered to the Company such representations or agreements as the Administrator deems necessary or appropriate to satisfy any Applicable Laws. The Company's inability to obtain authority from any regulatory body having jurisdiction, which the Administrator determines is necessary to the lawful issuance and sale of any securities, will relieve the Company of any liability for failing to issue or sell such Shares as to which such requisite authority has not been obtained.

(h) *Acceleration.* The Administrator may at any time provide that any Award will become immediately vested and fully or partially exercisable, free of some or all restrictions or conditions, or otherwise fully or partially realizable.

(i) *Repricing.* Subject to Section 8, the Administrator shall have the authority, without the approval of the stockholders of the Company, to (i) authorize the amendment of any outstanding Option or Stock Appreciation Right to reduce its price per share, or (ii) cancel any Option or Stock Appreciation Right in exchange for cash or another Award when the Option or Stock Appreciation Right price per share exceeds the Fair Market Value of the underlying Shares. In addition, subject to Section 8, the Administrator shall have the authority, without the approval of the stockholders of the Company, to amend any outstanding Award to increase the price per share or to cancel and replace an Award with the grant of an Award having a price per share that is greater than or equal to the price per share of the original Award.

(j) *Cash Settlement.* Without limiting the generality of any other provision of the Plan, the Administrator may provide, in an Award Agreement or subsequent to the grant of an Award, in its discretion, that any Award may be settled in cash, Shares or a combination thereof.

10. *Miscellaneous.*

(a) *No Right to Employment or Other Status.* No person will have any claim or right to be granted an Award, and the grant of an Award will not be construed as giving a Participant the right to continued employment or any other relationship with the Company. The Company expressly reserves the right at any time to dismiss or otherwise terminate its relationship with a Participant free from any liability or claim under the Plan or any Award, except as expressly provided in an Award Agreement.

(b) *No Rights as Stockholder; Certificates.* Subject to the Award Agreement, no Participant or Designated Beneficiary will have any rights as a stockholder with respect to any Shares to be distributed under an Award until becoming the record holder of such Shares. Notwithstanding any other provision of the Plan, unless the Administrator otherwise determines or Applicable Laws require, the Company will not be required to deliver to any Participant certificates evidencing Shares issued in connection with any Award and instead such Shares may be recorded in the books of the Company (or, as applicable, its transfer agent or stock plan administrator). The Company may place legends on stock certificates issued under the Plan that the Administrator deems necessary or appropriate to comply with Applicable Laws.

(c) *Effective Date and Term of Plan.* The Plan will become effective on the date it is adopted by the Board. No Awards may be granted under the Plan after ten years from the earlier of (i) the date the Board adopted the Plan or (ii) the date the Company's stockholders approved the Plan, but Awards previously granted may extend beyond that date in accordance with the Plan. If the Plan is not approved by the Company's stockholders in accordance with Section 422 of the Code, the Plan and any Awards granted under the Plan shall be null and void and of no force and effect.

(d) *Amendment of Plan.* The Administrator may amend, suspend or terminate the Plan at any time; provided that no amendment, other than an increase to the Overall Share Limit may materially and adversely affect any Award outstanding at the time of such amendment without the affected Participant's consent. Awards outstanding at the time of any Plan suspension or termination will continue to be governed by the Plan and the Award Agreement, as in effect before such suspension or termination. The Board will obtain stockholder approval of any Plan amendment to the extent necessary to comply with Applicable Laws.

(e) *Provisions for Foreign Participants.* The Administrator may modify Awards granted to Participants who are foreign nationals or employed outside the United States or establish subplans or procedures under the Plan to address differences in laws, rules, regulations or customs of such foreign jurisdictions with respect to tax, securities, currency, employee benefit or other matters.

(f) *Section 409A.*

(i) *General.* The Company intends that all Awards be structured to comply with, or be exempt from, Section 409A, such that no adverse tax consequences, interest, or penalties under Section 409A apply. Notwithstanding anything in the Plan or any Award Agreement to the contrary, the Administrator may, without a Participant's consent, amend this Plan or Awards, adopt policies and procedures, or take any other actions (including amendments, policies, procedures and retroactive actions) as are necessary or appropriate to preserve the intended tax treatment of Awards, including any such actions intended to (A) exempt this Plan or any Award from Section 409A, or (B) comply with Section 409A, including regulations, guidance, compliance programs and other interpretative authority that may be issued after an Award's grant date. The Company makes no representations or warranties as to an Award's tax treatment under Section 409A or otherwise. The Company will have no obligation under this Section 10(f) or otherwise to avoid the taxes, penalties or interest under Section 409A with respect to any Award and will have no liability to any Participant or any other person if any Award, compensation or other benefits under the Plan are determined to constitute noncompliant, "nonqualified deferred compensation" subject to taxes, penalties or interest under Section 409A.

(ii) *Separation from Service.* If an Award constitutes “nonqualified deferred compensation” under Section 409A, any payment or settlement of such Award upon a termination of a Participant’s Service Provider relationship will, to the extent necessary to avoid taxes under Section 409A, be made only upon the Participant’s “separation from service” (within the meaning of Section 409A), whether such “separation from service” occurs upon or after the termination of the Participant’s Service Provider relationship. For purposes of this Plan or any Award Agreement relating to any such payments or benefits, references to a “termination,” “termination of employment” or like terms means a “separation from service.”

(iii) *Payments to Specified Employees.* Notwithstanding any contrary provision in the Plan or any Award Agreement, any payment(s) of “nonqualified deferred compensation” required to be made under an Award to a “specified employee” (as defined under Section 409A and as the Administrator determines) due to his or her “separation from service” will, to the extent necessary to avoid taxes under Section 409A(a)(2)(B)(i) of the Code, be delayed for the six-month period immediately following such “separation from service” (or, if earlier, until the specified employee’s death) and will instead be paid (as set forth in the Award Agreement) on the day immediately following such six-month period or as soon as administratively practicable thereafter (without interest). Any payments of “nonqualified deferred compensation” under such Award payable more than six months following the Participant’s “separation from service” will be paid at the time or times the payments are otherwise scheduled to be made.

(iv) *Separate Payments.* Each payment made under this Plan shall be designated as a “separate payment” within the meaning of Section 409A.

(g) *Limitations on Liability.* Notwithstanding any other provisions of the Plan, no individual acting as a director, officer, other employee or agent of the Company will be liable to any Participant, former Participant, spouse, beneficiary, or any other person for any claim, loss, liability, or expense incurred in connection with the Plan or any Award, and such individual will not be personally liable with respect to the Plan because of any contract or other instrument executed in his or her capacity as an Administrator, director, officer, other employee or agent of the Company. The Company will indemnify and hold harmless each director, officer, other employee and agent of the Company that has been or will be granted or delegated any duty or power relating to the Plan’s administration or interpretation, against any cost or expense (including attorneys’ fees) or liability (including any sum paid in settlement of a claim with the Administrator’s approval) arising from any act or omission concerning this Plan unless arising from such person’s own fraud or bad faith.

(h) *Lock-Up Period.* The Company may, at the request of any underwriter representative or otherwise, in connection with registering the offering of any Company securities under the Securities Act, prohibit Participants from, directly or indirectly, selling or otherwise transferring any Shares or other Company securities during a period of up to 180 days following the effective date of a Company registration statement filed under the Securities Act, or such longer period as determined by the underwriter.

(i) *Data Privacy.* As a condition for receiving any Award, each Participant explicitly and unambiguously consents to the collection, use and transfer, in electronic or other form, of personal data as described in this paragraph by and among the Company and its Affiliates exclusively for implementing, administering and managing the Participant’s participation in the Plan. The Company and its Affiliates may hold certain personal information about a Participant, including the Participant’s name, address and telephone number; birthdate; social security, insurance number or other identification number; salary; nationality; job title(s); any Shares held in the Company or its Affiliates; and Award details, to implement, manage and administer the Plan and Awards (the “Data”). The Company and its Affiliates may transfer the Data amongst themselves as necessary to implement, administer and manage a Participant’s participation in the Plan, and the Company and its Affiliates may transfer the Data to third parties assisting the Company with Plan implementation, administration and management. These recipients may be located in the Participant’s country, or elsewhere, and the Participant’s country may have different data privacy laws and protections than the recipients’ country. By accepting an Award, each Participant authorizes such recipients to receive, possess, use, retain and transfer the Data, in electronic or other form, to implement, administer and manage the Participant’s participation in the Plan, including any required Data transfer to a broker or other third party with whom the Company or the Participant may elect to deposit any Shares. The Data related to a Participant will be held only as long as necessary to implement, administer, and manage the Participant’s participation in the Plan. A Participant may, at any time, view the Data that the Company holds regarding such Participant, request additional information about the storage and processing of the Data regarding such Participant, recommend any necessary corrections to the Data regarding the Participant or refuse or withdraw the consents in this Section 10(i) in writing, without cost, by contacting the local human resources representative. The Company may cancel Participant’s ability to participate in the Plan and, in the Administrator’s discretion, the Participant may forfeit any outstanding Awards if the Participant refuses or withdraws the consents in this Section 10(i). For more information on the consequences of refusing or withdrawing consent, Participants may contact their local human resources representative.

(j) *Severability.* If any portion of the Plan or any action taken under it is held illegal or invalid for any reason, the illegality or invalidity will not affect the remaining parts of the Plan, and the Plan will be construed and enforced as if the illegal or invalid provisions had been excluded, and the illegal or invalid action will be null and void.

(k) *Governing Documents.* If any contradiction occurs between the Plan and any Award Agreement or other written agreement between a Participant and the Company (or any Affiliate) that the Administrator has approved, the Plan will govern, unless it is expressly specified in such Award Agreement or other written document that a specific provision of the Plan will not apply.

(l) *Governing Law.* The Plan and all Awards will be governed by and interpreted in accordance with the laws of the State of Delaware, disregarding any state’s choice-of-law principles requiring the application of a jurisdiction’s laws other than the State of Delaware.

(m) *Claw-back Provisions.* All Awards (including any proceeds, gains or other economic benefit the Participant actually or constructively receives upon receipt or exercise of any Award or the receipt or resale of any Shares underlying the Award) will be subject to any Company claw-back policy implemented to the comply with Applicable Laws, including any claw-back policy adopted to comply with the Dodd-Frank Wall Street Reform and Consumer Protection Act and any rules or regulations promulgated thereunder, as set forth in such claw-back policy or the Award Agreement.

(n) *Titles and Headings.* The titles and headings of the Sections in the Plan are for convenience of reference only and, if any conflict, the Plan’s text, rather than such titles or headings, will control.

(o) *Conformity to Securities Laws.* Participant acknowledges that the Plan is intended to conform to the extent necessary with Applicable Laws. Notwithstanding anything herein to the contrary, the Plan and all Awards will be administered only in conformance with Applicable Laws. To the extent Applicable Laws permit, the Plan and all Award Agreements will be deemed amended as necessary to conform to Applicable Laws.

(p) *Relationship to Other Benefits.* No payment under the Plan will be taken into account in determining any benefits under any pension, retirement, savings, profit sharing, group insurance, welfare or other benefit plan of the Company or any Affiliate except as expressly provided in writing in such other plan or an agreement thereunder.

(q) *Grant of Awards to Certain Eligible Service Providers.* The Company may provide through the establishment of a formal written policy (which shall be deemed a part of this Plan) or otherwise for the method by which Common Stock or other securities of the Company may be issued and by which such Common Stock or other securities and/or payment therefor may be exchanged or contributed, or may be returned upon any forfeiture of Common Stock or other securities by the eligible Service Provider.

(r) *Section 83(b) Election.* No Participant may make an election under Section 83(b) of the Code with respect to any Award under the Plan without the consent of the Administrator, which the Administrator may grant (prospectively or retroactively) or withhold in its sole discretion. If, with the consent of the Administrator, a Participant makes an election under Section 83(b) of the Code to be taxed with respect to the Restricted Stock as of the date of transfer of the Restricted Stock rather than as of the date or

dates upon which the Participant would otherwise be taxable under Section 83(a) of the Code, the Participant shall be required to deliver a copy of such election to the Company promptly after filing such election with the Internal Revenue Service.

STOCK OPTION ASSUMPTION NOTICE

Dear Optionee:

Pursuant to that certain Agreement and Plan of Merger (the "Merger Agreement"), dated March 31, 2021, by and among KushCo Holdings, Inc., a Nevada corporation (the "Company"), Greenlane Holdings, Inc., a Delaware corporation ("Greenlane"), Merger Sub Gotham 1, LLC, a Delaware limited liability company and a direct wholly-owned subsidiary of Greenlane ("Merger Sub 1"), and Merger Sub Gotham 2, LLC, a Delaware limited liability company and a direct wholly-owned subsidiary of Greenlane ("Merger Sub 2"), Greenlane and the Company will combine through a merger of Merger Sub 1 with and into the Company with the Company as the surviving corporation and a wholly-owned subsidiary of Greenlane (such merger, "Merger 1"), and a merger immediately thereafter of the Company, as the surviving corporation of Merger 1, with and into Merger Sub 2 with Merger Sub 2 as the surviving limited liability company and a wholly-owned subsidiary of Greenlane ("Merger 2, and together with Merger 1, the "Mergers"). Capitalized terms not otherwise defined have the meanings given by the Merger Agreement.

Pursuant to the Merger Agreement, as of the Merger 1 Effective Date (as defined in the Merger Agreement, and referred to herein as the "Effective Date"), all of your outstanding options to purchase Shares of the Company's common stock, par value \$0.001 (the "Company Options"), issued under the KushCo Holdings, Inc. 2016 Stock Incentive Plan, as amended (the "Equity Plan"), will accelerate and fully vest pursuant to the terms of the Equity Plan and be assumed by Greenlane, as described in Section 3.4 of the Merger Agreement and as generally described below:

- Each Company Option that is outstanding immediately prior to Merger 1, will automatically accelerate and vest pursuant to the terms of the Equity Plan and be converted into an option to purchase, on the same terms and conditions as previously applied to the Company Option:
 - o that number of shares of Greenlane Class A Common Stock, rounded down to the nearest whole share, determined by multiplying (1) the total number of Company Shares subject to the Company Option by (2) [●], which is the Exchange Ratio determined under the Merger Agreement,
 - o at a per-share exercise price, rounded up to the nearest whole cent, determined by dividing (1) the exercise price per share covered by such Company Option immediately prior to Merger 1, by (2) [●], which is the Exchange Ratio determined under the Merger Agreement.
- Greenlane will assume the Equity Plan, subject to appropriate adjustments to reflect sponsorship by Greenlane and the use of Greenlane Class A Common Stock.

The number of stock options and the exercise price of each option has been adjusted by the Exchange Ratio, as noted above, in order to generally preserve, on a per share basis, the value that existed immediately prior to the Mergers and, to the extent permitted by applicable law, to maintain the tax treatment of the options.

Unless the context otherwise requires, on and after the Effective Date, any references in the Equity Plan or the governing stock option agreement(s) to (1) the "Company" or "KushCo" or "KushCo Holdings, Inc." means Greenlane, (2) the "Stock" or "Company Stock" means Class A Common Stock of Greenlane, (3) the "Board" means the Board of Directors of Greenlane, (4) the "Committee" or the "Administrator" refers to the Compensation Committee of Greenlane's Board of Directors, and (5) any other term that is inconsistent with the assumption of Company Options and the Equity Plan as described in this Stock Option Assumption Notice (this "Notice") and the Merger Agreement is updated accordingly as necessary for a fair and reasonable construction. On and after the Effective Date, any references in your governing stock option agreement(s) to your employment with or service to the Company will now refer to your status as an employee or service provider to Greenlane or its subsidiaries and affiliates. To the extent your stock option agreement(s) or the Equity Plan allow you to deliver Shares of the Company as payment for the exercise price or to satisfy any tax obligations, shares of Greenlane may be delivered instead.

The grant date, vesting schedule, and the expiration date of your assumed Company Options remain the same as set forth in your stock option agreement(s). All other provisions that govern either the exercise or the termination of the options remain the same as set forth in your stock option agreement(s) (except as expressly modified by the Merger).

Nothing in this Notice or your stock option agreement(s) interferes in any way with your rights and Greenlane's rights, which rights are expressly reserved, to terminate your employment at any time for any reason. Future stock options, if any, you may receive from Greenlane will be governed by the terms of Greenlane's equity plans, and such terms may be different from the terms of your assumed Company Options.

Your new exercise price and number of options will be available on the TD Ameritrade Equity 360 website as soon as practicable. Your invitation to the TD Ameritrade Equity 360 website has been sent to you directly with instructions on how to set up your username and password. If you have questions, please contact Nicole Livadas at Nlivadas@greenlane.com.
